

WORKING TO REUSE

Central School
District 104

Yard Waste Clean-up Day
Sat. Feb. 22 from 9am-12pm

Joseph Arthur Middle School and the State Farm Youth Advisory Board will be providing leaf, branch, and general lawn debris removal for residents located around an 8-block radius of the school.

Yard Waste Clean-Up Day Feb. 22 9am-12pm

- * Help our community by providing yard waste removal.
- * Later, use the waste in our school garden compost.
- * Grow food to give back to those in need.
- * Learn the science of gardening.
- * Connect our curriculum to our community.

A Service-Learning project to connect environmental and social responsibility to our community, the students of Joseph Arthur Middle School would like to invite you to help participate in

Working to Reuse

Join us to help collect yard waste, supervise students, and enjoy refreshments.
