### Section C

Questions in Section C measure their beliefs and attitudes about school culture and climate.

It is preferable that students "Disagree – Strongly Disagree" with statements 26-30, 32, 34-37.

- Add the totals for these items, and divide by 10 for the average.
- The lower the average (<2), the more positive the opinion of the school culture and climate.
- The higher the average (>2), the more negative the opinion.

It is preferable that students "Agree- Strongly Agree" with statements 31, 33, 38-42.

- Add the totals for these items, and divide by 7 for the average.
- The higher the average (>2), the more positive the opinion of school culture and climate.
- The lower the average (<2), the more negative the opinion.
