Invitation to Meeting 2 for *Skills for Adolescence* families

Dear Family,

How can we help our sons and daughters become more aware of the dangers the Internet can sometimes present? Are there specific ways to keep our adolescents safe when using the Internet and growing socially by using social networking sites? What exactly is cyberbulliying? How can it be prevented? If you would like the answers to these questions, come to a meeting called "Internet Safety, Social Networking Responsibility, Cyberbullying, and Other Bullying." It is part of the Lions Quest *Skills for Adolescence* program in which your child participates. Here are the details:

MEETING PLACE _____ DATE _____ TIME _____

This meeting will also give you a chance to talk with other parents and share the joys and concerns of raising 10- to 14-year-olds in the digital age. In particular, we will discuss ways we all can help to build adolescents' Internet safety.

We will provide child care during the meetings and refreshments afterwards, so please plan to stay.

There is no charge.
