

# Invitation to Meeting 2 for non-Skills for Adolescence families

Dear Family,

How can we help our sons and daughters become more aware of the dangers the Internet can sometimes present? Are there specific ways to keep our adolescents safe when using the Internet and growing socially by using social networking sites? What exactly is cyberbullying? How can it be prevented? If you would like the answers to these questions, come to a meeting called "Internet Safety, Social Networking Responsibility, Cyberbullying, and Other Bullying." This meeting will also give you a chance to talk with other parents and share the joys and concerns of raising 10- to 14-year-olds in the digital age.

Here are the meeting details:
