

Invitation to Meeting 3 for Skills for Adolescence families

Dear Family,

Are you, like most parents, concerned about drug use among young people? If so, I would like to invite you to a special parent meeting called "Talking Together about Drug Prevention." It is part of the Lions Quest *Skills for Adolescence* program in which your child participates. Here are the details:

MEETING PLACE _____ DATE _____ TIME _____

During this meeting we will discuss the key issues behind young people and drug use. We will provide some important facts about how the most common drugs—tobacco, alcohol, and marijuana—pose a special threat to adolescents. Parents will have time to talk together about ways to protect their children from the harm of drugs.

We have arranged for child care during the meeting and refreshments afterwards, so please plan to stay. There is no charge.

Warmly,

Please fill out the form below and return it by _____. We hope you can come!
