Let's Go Find a Dragon!

Let's go find a dragon!
Let's go catch a fiery one!
Where could he be?
He won't scare me!

Uh-oh! Look, there's a swamp,
A mucky, yucky swamp.
Can't go over it,
Can't go under it,
Can't go around it—
Got to go through it!
Squelch, squelch, squelch,
squelch.

Uh-oh! Look, there's an ocean,
A deep, wet ocean.
Can't go over it,
Can't go under it,
Can't go around it—
Got to go through it!
Swim, splash, splish, splash.

Uh-oh! Look, there's a volcano,
A big, tall volcano.
Can't go through it,
Can't go under it,
Can't go around it—
Got to go over it!
Boom, boom, boom, BOOM!

Uh-oh! Look, there's hot lava!
Sizzling, sparking hot lava.
Can't go under it,
Can't go over it,
Can't go around it—
Got to run fast!
Sizzle, sizzle, sizzle, run!

Uh-oh! Look, there's a cave,
A deep, dark cave.
Can't go under it,
Can't go over it,
Can't go around it—
Got to go inside!
Tiptoe, tiptoe, tiptoe, shhh!

Let's Go Find a Dragon! (continued)

Uh-oh! Look, there's a dragon,
A huge, fire-breathing dragon!
Everyone, RUN!
Back through the cave,
Tiptoe, tiptoe, tiptoe.
Through the hot lava,
Sizzle, sizzle, sizzle.
Through the big volcano,
Boom, boom, BOOM!
Through the deep ocean,
Swim, splash, splash.
Through the swamp,
Squelch, squelch, squelch.
And into our beds
With the covers over our heads.

PHEW! We won't go on a dragon hunt again!
