

2.6 Reflecting

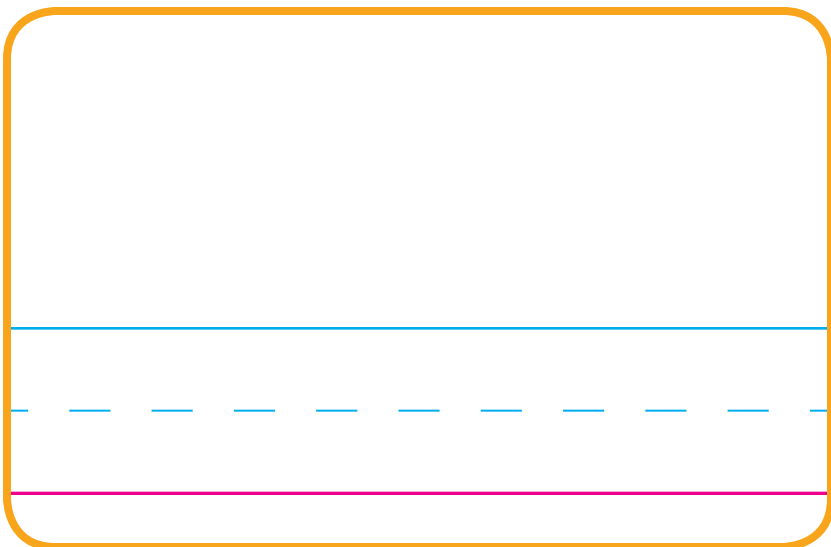

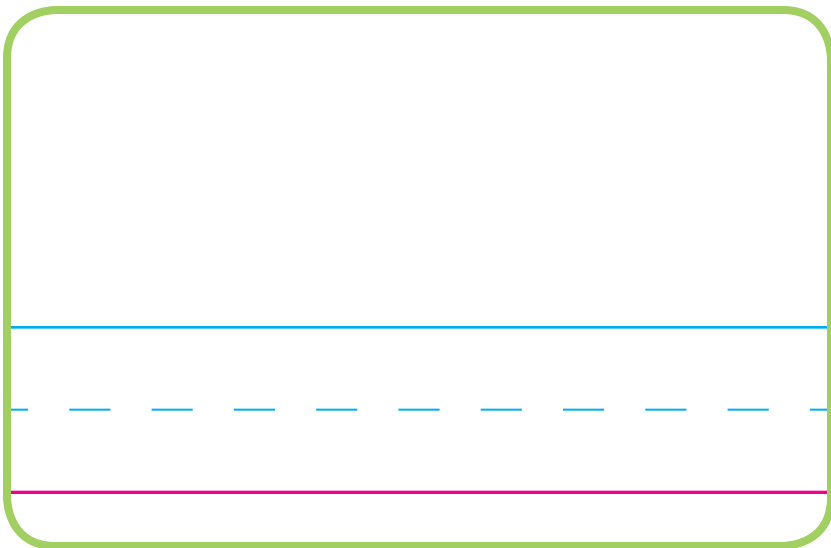

What feelings do you and others sometimes feel? Draw faces in the boxes to show the feelings. Write the names for the feelings on the lines.

Applying

It will help Sasha to talk to her family members and to Jane about her feelings. What feelings do you think she is having?

Draw faces in the boxes to show Sasha's feelings. Write the names for the feelings on the lines.

Sasha Sleeps Over

Sasha is going to sleep over at her friend Jane's house tonight.

She will do many fun things.

They will make cookies and play games.

They will tell ghost stories and dance to their favorite music.

Sasha always sleeps with her blankie.

Her blankie is soft and smells like home.

What if Sasha can't sleep without her blankie?

But what if Jane laughs at the blankie?

Maybe Jane will call Sasha a baby.

Sasha is not sure what to do.
