

3.7 Reflecting

Reflect on what you've learned about responding to bullying behaviors in this lesson.

What?

What are some ways to respond to bullying behaviors when you feel threatened or afraid?

So What?

How does bullying make you feel? Why do you think those feelings make deciding how to respond to bullying behaviors difficult?

Now What?

How do you think learning how to respond to bullying situations will help you as you continue to grow? How do you think you would help a friend who is being bullied decide how to respond?

Applying

Think about the Don't Bug Me Messages you learned in Lesson 3. Use these messages and what you learned in this lesson to plan a Bullying Prevention Campaign.

What lessons will the campaign teach?

How will the campaign teach these lessons?

How will the lessons help students who are being bullied?
